ANNOUNCEMENTS – continued

August 22, 2009

URGENT! Outside doors of the gym and church building are being left standing open. If you are the last person to leave, please try all doors, of whichever building you have entered, before leaving. Please ensure that all the doors are closed and locked. Since first hearing about this security problem, and putting this announcement in our bulletin, the situation has not improved. In fact, more reports have come in. We are very concerned about the risk to members when they enter church buildings where a door has been left open. This is a danger that calls each of us to our duty to one another. Please take it upon yourself to help solve this problem.

THANK YOU very much for all your prayers and concern during my recent operation. It was appreciated very much. Fely Trinidad
