ANNOUNCEMENTS – continued

CHURCH FINANCE As we see in today's Church Budget Report 2009, year to date, we are about \$14,000 short. This month's graph of offerings reflects the trend seen in almost every month this year; namely, we are getting further behind. In addition, giving to our tuition assistance fund is slipping below student need. In light of these facts, Elder Williams is asking the finance committee to meet to pray for God to bless your family's finances and your faithful giving. It is also suggested by Elder Williams that the Finance Committee discuss having a special "catch-up Sabbath" offering. Faithful, regular giving is new to some. If you are not supporting the church with regularity, please begin now. If you are part of that group who are already faithfully giving, thank you. In next Sabbath's bulletin we will share with you the recommendations of your Finance Committee

URGENT! Outside doors of the gym and church building are being left standing open. If you are the last person to leave, please try all doors, of whichever building you have entered, before leaving. We are very concerned about the risk to members when they enter church buildings where a door has been left open. This is a danger that calls each of us to our duty to one another. Please take it upon yourself to help solve this problem.

RECYCLING OFFERING Thank you for continuing to support our effort to raise money from your CRV plastics. It has come to our attention that non-CRV plastics also may be taken to the recycling centers and redeemed. Total raised to date: **\$1,450.27**.

ADVENTURERS Anyone interested in joining or helping with **Adventurers** please join us **Today, August 29**, immediately following worship service, in the Fellowship Hall. Registration/sign-up and the first meeting will be held on **Tuesday, September 8** at 6 p.m. in the Fellowship Hall. Please attend the meeting today to obtain information, forms, and materials for registration.
